2 6 A copy of letter No 1674 dated 25th June 1936 received from the Superintending Engineer, Shimoga -- Circle in the matter is enclosed which explains the - positions clearly It is seen that the Municipality are using not only the road margin of the Bangalore - Mangalore road but also the Jail compound to the ---- extent of 10 acres

3 7 The proposals of the Superintending Engineer - to have the stalls erected behind the avenue trees and beyond the road margin may be accepted and the - - - Municipality asked to pay a nominal rent of Rs 100/- for the use of the Government land for the cattle show. If the Municipality are persistent in erecting the --- stalls on the road margin, it is necessary that rent as demanded has to be paid and in no case the central 20 feet of the road should be built upon or obstructed - I have personal experience of the great difficulty and risk of running over people who persist in sitting on the road and move most leisurely even when a car approaches.

Returned with compliments

17 The payment of the contribution by the Municipality for the maintenance of the State Fund road running within Municipal limit is unconnected with the question of letting out the road margin for erecting stalls As already stated in this office Un-official note No of the 29th July 1936 the stalls may be erected beyond the road margin and the Municipality required to pay a nominal rent of Rs 100 for use of the Jail Compound during the Cattle show

18 If however the stalls have necessarily to be erected in the road margin the Municipality will have to make arrangements to see that the central 20 feet of the road is not obstructed for traffic A sum of Rs 1000 on the average is being spent towards repairs of this portion of the road, resulting in an exess expenditure of Rs 300 over the annual repair grant of Rs 700

19 As the damages done to the road and the margin during the cattle show will have to be set right by the Public Works Department the Municipality may be asked to pay a moiety of the rent collected or Rs 300 whichever is less for the purpose

28 2 It has already been stated in this office note dated 25th June 1937 that the payment of the quota by the Municipality for the maintenance of the State Fund road running within its limits has no bearing on the question under consideration as the recovery of contribution is on account of the heavy traffic within the Municipal limits and the need for maintenance at a heavy cost of such portions

29 3 It the Municipality has paid a sum of Rs 5900 for ~~forming~~ tarring the road, an equal sum has been contributed by Government as a special case Tarring work in fact ought to have been entirely financed by the Municipality themselves as the work is solely for the benefit of those residing within the Municipal limits

30 4 It would appear to be undesirable to waive the charges as the Municipality recover rent from the stall-holders and this Department have to spend a large amount on the maintenance of this portion of the road averaging to about Rs 1,000 per year

OFFICE OF THE DEPUTY COMMISSIONER
HASSAN DISTRICT

Dated Hassan the 18th M a y *1936*

FROM

M CHENNARAJ URS Esq B A LL B
Deputy Commissioner Hassan District

To

M Venkatanaranappa, Esq , B A ,
Development Secretary to Government,
B a n g a l o r e

SIR

In forwarding herewith in original, letter No 717, dated 12th March 1936, with its enclosures, addressed to you by the President Hassan Town Municipal Council, requesting permission to erect stalls on the margins of the Bangalore-Mangalore road during the annual Cattle Show at Hassan, I have the honor to state as follow

1 The Hassan Town Municipal Council are allotting shop sites in the margin of the Bargalore-Mangalore road, near the Jail Buildings during the annual Cattle Show and are recovering ground-rent for the same

2 The Executive Engineer wrote to the President, Hassan Town Municipal Council, in January 1935, stating that the Municipal Council had been disposing of shop-sites in the margin of this road from a long time, recovering ground-rent for the same, but were not paying anything to the Public Works Department, that the road would be cut up due to the erection of the stalls, and that therefore a portion of the realizations should be credited to Government He also estimated the amount payable to the Department at Rs 1000/- per annum, and suggested that orders of Government, might be obtained in the matter

3 The correspondence, having been placed before the Managing Committee of the Municipal Council, they resolved

that this Cattle Show was conducted by the District Board for the first 9 years and the Municipal Council have been holding the Show from the last 17 years thereafter, that so far, no contribution has been paid to the Public Works Department out of the ground-rent recovered from the stall-holders, and that in view of the fact that the Council were paying an annual contribution of Rs 756-4-0 towards the maintenance of the portions of the Bangalore-Mangalore Road running within the Municipal limits, Government might be moved to waive the claim of the Public Works Department and allow the Municipality to make use of the road margin as heretofore This resolution having been placed before the Municipal Council, they resolved, at their meeting held on 30th November 1935, that Government might be requested to allow the claim of the Municipality to this income as usual

4 The President has submitted copies of the Executive Engineer's letter dated 6th January 1935 and the above resolution and has requested approval to the latter In submitting the above, he has stated that the Cattle Show is growing in importance year by year, that though the Municipal Council have provided lands for the assemblage of men and cattle, still, it is very necessary to make use of the road margin, for allowing the erection of stalls, for want of suitable accommodation elsewhere, that particular care is being taken to see that the traffic on this road is not, in any way obstructed, that the margins are being made use of for about 15 days in the year, that the claim of the Public Works Department for a portion of the ground-rent collected is not justifiable, as the Council are already paying their quota of the annual maintenance charges of this road, and has requested approval to the resolution referred to above

5 In view of the fact that the road margin is being made use of for the last 26 years without the Municipal Council paying any compensation to the Public Works Department, and also of the fact that they are already

paying an annual contribution of Rs 756-4-0 towards the maintenance of this road, I request you to be so good as to obtain the approval of Government to the resolution of the Council subject to the condition that the Municipal Council should set right the road margin after the Show is over

I have the honor to be,
Sir,
Your most obedient servant,

M Thomas 18/5/36
Deputy Commissioner,
Hassan District

as

Letter No 1674 dated the 25th June 1936, from the - - - - Superintending Engineer, Shimoga Circle, Shimoga, to the Chief - Engineer of Mysore, Bangalore

---

Subject - Erection of stalls on the margin of the Bangalore - Mangalore Road at Hassan during the annual cattle show

---

With reference to your letter No C 21 dated the 5th June 1936, calling for my opinion on the recommendation of the Deputy Commissioner for continuance of the usual practice of erecting -- stalls on the road margin, etc , I have the honour to state that much inconvenience is caused to traffic on the road during the -- period of a month of the Cattle Show every year

The shops erected on the road margin attract men and - - - vehicles in their front in great number and thereby render the -- road surface for fast moving vehicles like Motors, Buses, and --- Lorries that are plying on the road now-a-days

For the above reasons I am strongly against allowing the stalls being erected on the road margin and I am of the opinion that Government should not give their consent to such a proposal To appreciate the great inconvenience and annoyance caused to the motor traffic one has to drive through this mass of men, - - - - materials and carts that crowd the road on these days And this ordeal is to go on not for a day or two but for a month So far our experience shows that no proper care and control is - - - exerted by them to see that the traffic is not obstructed as ---- stated by the Municipality I feel that with little more - - - thought, organization and control, the stalls can easily be - - - placed beyond the road margin and behind the avenue trees but -- facing the road and thus keep the road quite clear for traffic

If the above proposal is accepted, the question of rent for the use of the road margin for stalls and damage to it does not arise

From the correspondence, I see that the Municipality is -- mixing up ground rent with Annual Maintenance charges of road,

To say that because they are paying Annual Maintenance charges, they need not pay rent for the use of the ground is not a sound argument They pay Annual Maintenance charges for the up-keep of the road and any little damage that may occur due to erection of stalls may be met from these charges which I agree but this is quite different from the rent which the Department have a — right to claim for the use of the Government land They do — realise a good bit of rent by letting out the Government land - and as such it is but fair that they should pay 50% of such rents to the Government if not all in case stalls are permitted to be erected in the road margin

Then there is the question of using the Government land of the Jail compound to the extent of 10 acres for the show, for --- which so far no rent is recovered by the Government, but the ---- Municipality is charging some fee per head of cattle and deriving good profit out of it I feel in order to establish Government right and authority over the land a nominal rent of Rs 100/- may be taken from the Municipality as rent for the use of the - - - - Government land for this Cattle Show

REV SEC
13 OCT

Sir,

With reference to your letter No L 1331/Ml 76-35, dated 17th August 1936, forwarding the copies of the Chief Engineer's note and its enclosure, re the request of the Hassan Town Municipal Council to retain the ground rent recovered by them for the stalls erected on the margin of the Bangalore - Mangalore Road within the Municipal limits, during the annual Cattle Show and calling for the resolution of the Ml Council thereon, I have the honor to forward herewith for kind information, copies of letter No 299-36, dated 2md October 1936 and its enclosure on the subject received from the President, Hassan Town Municipal Council and to state as follows -

2 The subject having again been placed before the Municipal Council they resolved at their meeting held on 26th September 1936, approving of the resolution of the Managing Committee to the effect that Govt , might be requested to waive the claim of the Public Works Department

3 The President has, in submitting a copy of the above, stated that the Municipal Council have been paying a heavy contribution of Rs 756-4-0 to the Public Works Department, for the maintenance of the State Fund Roads within the Municipal limits and that during the last Cattle Show, the stalls had been erected far away from the road leaving sufficient space to see that the traffic was not in any way obstructed He also

p t o

adds that the passage of public service Motor Vehicles along this road during the Show is being prohibited in order to avert danger of the large concourse of men and cattle in the road, that this prohibition does not, in anyway promote the cattle fair. that the levy of ground rent referred to in the correspondence is not justifiable, and that arrangements would, however be made to permit the erection of stalls beyond the road margin wherever practicable

4 The Chief Engineer has opined that if the Municipality should continue to erect the stalls on the road margin, the rent as demanded by the Public Works Department, has to be paid and that in no case the central 20 feet of the road should be built upon or obstructed The Municipal Council have requested that the claim of the Public Works Department for rent might be waived The President says that during the Cattle Show of 1937, arrangements will be made to see that stalls are erected beyond the road margin rendering the passage of traffic on the road easy

5 In these circumstances, I request you to be so good as to move the Government, to kindly consider the resolution of the Municipal Council favourably

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District

as

Letter No 299/36-37 dated the 2nd October 1936, from the President, Town Municipal Council, Hassan, to the Deputy Commissioner, Hassan Dist

Subject :- Regarding the payment of an annual rent of Rs100/- to Govt of Government for the use of Government land during Cattle Show Season

With reference to your memo No C 1642/34-35 dated the 25th Aug 1936 forwarding copy of letter No. L 1331/M1 78-35 dated the 17th Aug 1936 from the Development Secretary, I have the honor to invite your kind reference to this office letter No. 717/35-36 dated 12th March 36 to the Secretary to the Government of Mysore Development Department, and a copy of the same is herein enclosed for kind reference I was to

2 The subject was again placed before the Municipal Council in their meeting held on the 29th August 1936 and the same was deferred as the Managing Committee wanted to discuss the matter The said committee in their meeting held on the 26th September 1936, resolved that the Government may be requested to waive the claim of the Public Works Department The Municipal Council approved the said resolution of the Managing Committee A copy of this resolution No 5 is enclosed for kind reference as

3 In this connection it may be reiterated that the Council have been paying a heavy contribution of Rs756-4-0 annually to the Public Works Department for the maintenance of the State Fund road within the Municipal limits During the Cattle Show season of 1936 the temporary stalls were put up, not as was in previous year, in the road margin, but far behind the road leaving the main road and a portion of margin on either side, and the thorough fare was not in any way interfered with As regards the point that Service Motor buses are not allowed in this portion of the road, it is a point of public safety so as to avoid any danger to the large concourse of men and cattle in the street The prohibition of the usual traffic in the road does not in any way promote or tend to promote the cattlefare, but is to safeguard the

the public safety The levy of rent therefor may not be justifiable In view of the fact that the Municipality is paying a heavy contribution for the maintenance of this road, it is submitted that concession in this behalf may kindly be shown to it

4dJ I request you therefore to be so good as to kindly obtain sanction of Government to ~~waive~~ waive the claim of the Public Works Department for a portion of the realisations on temporary stalls put up in previous years and permit the Municipality to use the said portion in future also free of any rent. I will however make arrangements to put up the stalls outside the road margin wherever practicable

To The Secretary, Harbour Board

Sir,

With reference to the correspondence ending with your letter No C. 1642/34-35 dated 10-10-36 regarding the proposal of the Harbour Board that they may be permitted to retain the ground-rent received by them for the stalls erected on the margin of the Bangalore-Mangalore road during the annual cattle-shows at Hassan, instead of the same being handed over to the P.W.D., as demanded, I am directed to forward herewith a copy of the Chief Engineer's note dated 25-6-37 on the subject and to request that the same may be sent back.

Secretary to Government, L S G Department,
B a n g a l o r e

Sir,

With reference to your letter No L 1046/Ml 76-35 dated 28th July 37 forwarding a copy of the Chief Engineer's note, dated 25th June 1937 re the claim of the Public Works Department for a moiety of the ground rent recovered by the Hassan Town Municipal Council, in respect of the stalls erected on the margin of the Bangalore - Mangalore road near the Jail Buildings at Hassan, during the annual Cattle Show, and requesting that the opinion of the Hassan Town Municipal Council about the proposal of the Chief Engineer might be furnished, I have the honor to forward herewith, in original, letter No H C 27-37, dated 14/15th September 1937, with its enclosure, received from the President, Hassan Town Municipal Council, on the subject and to state as follows -

2 The President reports that the subject was placed before the Municipal Council at their meeting, held on 28th August 1937, when they resolved that in view of the fact that the stalls are being erected by the side of the road for the last 27 years, without paying any quota of the realizations to the Public Works Department, they feel that Department should not demand any sum at this stage, especially when the Municipal Council have been contributing their quota for the repair of the Provincial road within the Municipal limits The Municipal Council

p t o

also resolved that Government be requested to exempt them from the payment of the contribution and allow the erection of the sheds (stalls) by the roadside as was being done hitherto and that it might be brought to the notice of Government, that the area is used for only 20 days in the year

3 The President has, in forwarding a copy of the above resolution, stated that the Municipal Council paid a contribution of ₹ 5,900/- to the Public Works Department during 36-37 for the tarring of the same road that a further sum of 475/- has also to be paid as the estimate has since been revised, that after this work is completed, there will be no room for causing any damage to the road, that in conformity with the views of the Chief Engineer, arrangements are being made in recent years to leave the central portion of the road uninterfered with and to keep 20 feet of the road clear for traffic. The President requests sanction to the resolution of the Municipal Council

4 I request you to be so good as to obtain the orders of Govt, in the matter at a very early date, as this subject is pending disposal from a long time

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District

pvg

Letter No H.C 27/37-38 dated the 1st December 1937 from the President, Town Municipal Council, Hassan, to the Deputy Commissioner, Hassan District

---

With reference to your Memo No C 1642/34-35 dated the 19th November 1937 calling for information regarding the realisations from Shop Tax and ground rent in the Hassan Cattle Show, etc , I have the honour to state that the stalls and shops are put up on either sides of the Bangalore-Mangalore Road leaving a sufficient road margin as also in the Municipal area and that no distinction is made between ground rent and shop tax

2 As usual, a temporary ~~max~~ rate is fixed for each shop ~~or~~ or stall put up and the realisations are being a taken into account but not separately for the area on both sides of the Bangalore Mangalore Road and Municipal area and as such accurate figures are not available The statistics for the past five years are however furnished in the margin, and the same have also been apportioned on rough scale

Year	Total realization of ground rent	Ground rent recovered in respect of shops, on either side of the Bangalore Mangalore Road leaving sufficient road margin	the Municipal area
1933	Rs 1,438	903	535
1934	1,435	896	539
1935	1,764	956	808
1936	1,565	989	576
1937	2,548	1,683	865

is not obstructed for traffic and then as the damages done to the road & margin during the cattle Show will have to be set right by the P W D, the Mcpl may be asked to pay a moiety of the rents collected or Rs 300 which ever is less ₹ 631-0-12

Order no

It is reported that the Harsan Town mt ch are conducting Cattle shows annually by erecting stalls on the road margin of the Bangalore-Mangalore road on tenders by the Jail Department during the show, and collect rents and appropriate the entire realizations without paying any portion yes to the P W D The Chief Engineer has stated that large amounts are being spent every year for the ordinary Maintenance of the road in question and that in view of the Mcpl getting a large amounts

untraced

WD 0255—GPB—10 000 – 23 8 32

every year in the shape of
ground and stall rents, a moiety of the
amount has to be paid in
farmers to the P W D for repairing the damages caused
to the Road
~~as the Chief Engineer~~ After a
careful consideration of all the
aspects of the question, Govt
direct that a sum of Rs 100/- be
paid annually by the Harsan
Town mcl. to the P W D as
ground rent for the use of the
~~Govt land beyond the road~~
Paul (compound)
marken (Gudi compound etc
~~for future purposes~~ and another sum of
Rs 30/- for the use of the road
margen, for future purposes
2 The Dy Comm^r, Harsan Dt, is
requested to see that necessary
provision is made therefor every year
the Budgets of the Harsan Town mcl.
